## **POLICY MEMO**

Memo #: 2012-6-P

Effective: Immediately

Date: November 28, 2011

Subject: Utah Driving Privilege Card acceptable as identification for WIC

To: All Local WIC Directors and Local WIC Clinic Staff

From: Chris Furner, Program Manager

According to guidance from USDA, the Utah Driving Privilege Card should be accepted as a valid form of identification for certification in WIC. Please begin to accept this form of ID. When presented with this form of identification, please select "Driver License" as the form of ID within the VISION system. The current Policy and Procedures Manual (FY 2012) states that this card should not be accepted; however, this will be changed in the FY 2013 P&P.
